ABOUT US

"PROVIDING INNOVATIVE GAMES"

PIONEERS SINCE 1959 - OPERATING WORLDWIDE

Elaut Group was founded on this simple premise—High-Quality Games, Extraordinary Revenue for Operators.

In 1959, Achiel Verstraeten started Elaut in Sint-Niklaas, Belgium. It began with the inspiration to automate collections for amusement operators, which has grown to have a global reach with facilities in Belgium, the USA, Germany, and Spain. We believe that reliable equipment generates exceptional revenue when coupled with engaging themes. This helps the operators of our equipment grow their business and increase player satisfaction. We are also passionate about entertainment, innovation, and leveraging technology where it benefits our customers.
